Dear Staff at Le Monde,

Thankyou once again for all of your efforts. Apart from the windy day (which ended up making the photos look fabulous) the whole event was wonderful.

The location and decorations for the ceremony added a casual elegance. The location was also perfect for both guests and the wedding party. Our photos could be taken at the beach which was only metres from the ceremony site and the guests could meander across the road to the venue for a drink.

The staff at le monde were professional and flexible, the food was delicious and our guests have remarked on what a 'fun' wedding it turned out to be. Thankyou to the whole team at Le monde for making our day so special.

Warm regards,

Lisa and Mark

To the owner/s of Le Monde Kirra

We would just like to record our thoughts on your restaurant at Kirra.

We are new to the area. I had a visitor from Neutral Bay in Sydney (a very in-vogue area) and she (and ourselves) were very impressed indeed with the restaurant, location, menu and, especially, the service. Our visitor from Neutral Bay made particular comment that the restaurant and menu was of such a high standard. In particular, your Manager at the time was just the best. We were probably only one table of a few that night and your staff were top notch... casual with NO attitude!

Having been in business ourselves, we know only too well that there are many complaints but not enough compliments. We will definitely be recommending your restaurant.

Regards

Christine & Peter

(we'll definitely be back !!)

Dear Le Monde,

We certainly did have a great night and your staff were first class.

I make special mention of your barman, who really impressed everyone with his very professional attitude.

Guests were impressed with his ability to recall what they were drinking and the trouble he went to, to make sure everyone was catered for. Nothing was too much trouble!

There were those amongst these very seasoned travellers, who said they'd seen no better, so how's that???

Regards,

Rae
